

OFFER THE CONVENIENCE OF ACCEPTING CREDIT CARDS AT **NO COST TO YOUR MUNICIPALITY!**

www.MuniciPAY.com

What is MuniciPAY?

Major Credit Card Association rules now allow Government entities to assess a "convenience fee" on transactions paid via credit card. The Card Associations require the convenience fee amount to be processed as a separate transaction so the fee amount is clearly identified to the cardholder.

MuniciPAY is a custom government payment solution that provides a convenient payment option for citizens and prevents your municipality from absorbing processing costs associated with card acceptance.

MuniciPAY's Patent Pending Payment Aggregation Technology automatically captures the convenience fee* and the sale amount with a single swipe of the card, then aggregates payments for authorization and settlement—**your municipality is completely insulated from the convenience fee collection!**

Accept Credit Card Payments for:

Property Taxes¹ Parks & Recreation Auto (DMV) Utilities
Water, Sewer & Refuse Court & Bond Fees Fish & Game

What is the Advantage of Using MuniciPAY?

- Offer more payment options to your citizens.
- No equipment to buy or install.²
- Patent Pending Payment Aggregation Technology.³
- Municipality Completely Insulated from Convenience Fee Collection - NPS handles the collection of the convenience fee and automates the payment of municipality transactions.
- Convenience fee option can be turned On/Off.
- Multiple payment item(s) and department capabilities.
- Over-the-counter, key-entered, mail & phone transactions supported.
- Increased, Expedited Cash Flow - Funds are deposited directly to municipality's account(s) on 2nd business day after transaction date.
- Administrative Control Access - Edit, delete, and create users, payment types and departments.
- Real-Time, Detailed Reporting and Reconciliation - Municipalities are able to view reports separated by user, departments, payment items, and daily settlement reconciliation. Cash and check reporting options, and can be integrated with the municipality's current accounting software.

Nationwide Payment Solutions

*A third-party convenience fee will apply to cardholders who wish to pay via credit card. The convenience fee will be disclosed to cardholder at time of transaction with the option to decline fee and make payments via cash or check. Nationwide Payment Solutions is an authorized Level 1 PCI-DSS third party processor of regulated convenience fees. This fee will be 2.45% (\$1.50 Minimum). A flat fee of \$3.95 applies to all tax payments made using a Visa Check Card.

¹ Over-the-counter non-tax/utility convenience fee payments are not supported by Visa at this time.

² NPS provides free use of USB card readers. High-speed thermal printers are available for purchase.

MuniciPAY supports plain paper printers.

³ Patent Pending Multi-Payment Aggregation Technology. Patent # 12/346,175 - 12/2007.
